

Cesar Alberto Ibarra Gutierrez

Torreon, Coahuila, Mexico

cesar.ibarra003@outlook.com | +52 871 398 4490

—● Profile

I'm a graphic design student who excels in leadership, creativity, motivation and positivism to bring my ideas to reality and solve tasks in an efficient way.

Throughout my career I've had impeccable results in my work making myself an outstanding student not only because of my successes but also because of my failures, one thing that stands out to me is that I learn about my mistakes to do better so I can finish and complete anything that's on my way.

—● Professional experience
